April 20, 2020

Dear WHD 147 Families & Stakeholders,

Governor Pritzker has issued an executive order mandating remote learning through the remainder of the school year. While the school buildings are closed, student engagement and instruction will continue. Our staff is committed to our students and continue to work hard to ensure instructional practices. Our elearning plans are available on the district website.

If you do not have access to the internet and need a paper packet, packets will be available beginning on Tuesday, April 21, 2020 from 10:00 am -12:30 pm at your child's building. Please contact your child's school if you need a packet.

Food service will resume on April 27th. Both breakfast and lunch will be distributed for each student from 10am-12pm, Monday through Friday at Rosa Parks Middle School, 14700 Robey Avenue, Dixmoor, IL 60426.

We are saddened that we will not be able to see our students in person for the remainder of this school year, but know that this decision is for the overall health of us all. Please use this opportunity to focus on staying safe and helping to slow the spread of the virus. As always, thank you for your patience and support as we all work through the COVID-19 Pandemic. Do not hesitate to reach out if you have any questions or concerns. Stay safe and take care!

Sincerely,

Mrs. Johnnetta Miller

Johnnetta Miller, Superintendent
